## CORE VALUES

# PARTNERS

**DANUBE  
PROPERTIES**

Founded in 1993, the Danube Group was established and developed under the leadership of Rizwan Sajan, known as the Founder and Chairman of the Group. Starting from a small trading firm, the company is constantly developing, expanding its influence in the region and has established itself as Company no. 1 in building materials, alongside other subsidiaries under its vast umbrella. In 2019, the company posted a turnover of \$1.3 billion and has continued to grow ever since. Moreover, Rizwan Sajan was ranked 12th in the list of "Top 100 Indian Leaders in UAE" by Forbes Middle East.

We continue to collaborate with some of the world's most renowned architects, interior designers, premier contractors, international hotels and luxury brands to deliver exceptional living experiences to our customers and shareholders.

Since 1978, MAG has grown alongside Dubai and its drive for excellence. MAG holds prominent leadership positions in real estate, construction, engineering, industrial and commercial trade, transportation services and hospitality. The energy of innovation is what drives us forward as we seek the best solutions for urban living. At MAG we understand that creating successful developments requires designing for the future needs of our clients and the types of communities they want to be a part of. This is what inspires us in our work, and that's why at MAG we build more than luxury homes, we develop communities you'll want to belong to. At the heart of all our actions is the art of living well.

MAG Group Holding is a major player in the region's real estate industry through its various subsidiaries with interests and activities in real estate development.

Founded in 2016, Iman Developers is today recognized as one of the best property development companies in Dubai. Our innovation, artistry, high construction standards and exceptional customer service set us apart. People are at the heart of everything we do. We build memorable houses and apartments in Dubai, at the best prices in the market and with the certainty of the completion date.

We entered the property development industry in the UAE with the objective of setting high quality standards in residential housing for Emirati and foreign families.

The innovation, affordable solutions and unmatched value we provide to our clients place us among the best developers in Dubai. Since our first project, we have focused on designing a better life for our customers by building new projects in the best locations.
